125 000 €

Threshing barn or "Small Paris" as still it is accepted to call it. This title, of course, informal, but under such name Riga in the hearts of million people living in the territory of the former Soviet Union imprinted. However, is at it and quite official regalia - Riga is recognized as one of the most beautiful European capitals and entered by UNESCO in the list of the World cultural heritage. There is no need to transfer all material and spiritual treasures which are stored by this surprising city which has exchanged the ninth century.
